

QUALITY POLICY

Pramet Tools, s.r.o., Šumperk

QUALITY FOR GROWTH

Pramet Tools shall offer metal cutting and forming solutions that comply with the expectations of our customers.

Quality is a strategic advantage and Pramet shall focus on quality in ways that satisfy customer demands and Pramet goals.

Quality efforts have an impact on all processes in the group globally.

Pramet shall systematically work with continual improvements of all Group processes.

This shall be achieved by:

- Defining, and always complying with, a standard that satisfies customer demands.
- Defining objectives/goals that are continuously monitored and reported.
- Continuously evaluating the quality system and fulfilling the requirements of ISO9001.
- Encouraging executive management support, providing necessary resources, leading and coordinating employees in their quality work.
- Continuously informing and educating employees and suppliers to make quality a responsibility of every individual.
- Quality work should be conducted actively and continuously, so that Pramet succeeds in the short and long term.
